### Editor's Foreword

Here it is! Is that what you were waiting for? Is it what you hoped it would be?

We, the 1964 Bulldog Staff, sincerely hope that this year's yearbook is everything and "more" than just what you thought it would be.

We have worked hard in trying to pick what we thought you would like to remember and have tried even harder to put your memories in a "memory" book that you would be proud of.

Here it is; it's yours. Be proud of it and look back in future years and enjoy this edition 'from The Bulldog to you.'

### Dedication We Proudly Dedicate "The 1964 Bulldog" to Mrs. Sam Nelson

To one who has encouraged when there was no courage, to one who has a smile for everyone, to one who brings joy into every heart, and to one who has watched over, cared for, and guided our lives though our paths follow unknown directions, we, the Senior class of 1964, proudly dedicate the Bulldog to our beloved advisor, counselor, and friend, Mrs. Sam Nelson.

Perhaps our Junior year is the best of all our high school years. We are just in between, balancing on a fence, not quite falling to either side.

The sun is setting, and the dawn of a Senior year is ahead. It is our dawn, and we are waiting for it.
